**REVISED AGENDA**  
**STATE WATER DEVELOPMENT COMMISSION**  
Tuesday, September 14, 1999 - 1:00 p.m. - Room 303 State Capitol

**1. Committee Business**

C Approve minutes of July 22, 1999

**2. State Water Planning Efforts**

Commission members have expressed concern about whether there are sufficient water supplies and delivery infrastructure to meet the needs of the state's growing population. Both the Division of Water Resources and the Division of Drinking Water have been engaged in water planning efforts. The Division of Water Resources will report on findings obtained through the state water planning process. The Division of Drinking Water will discuss the capacity development funding program which assists small water systems in water planning.

- Larry Anderson, Division of Water Resources
- Kevin Brown, Division of Drinking Water

**3. Forfeiture of a Water Right**

One of the issues raised by the commission at the July meeting was how a water right may be forfeited when the water is no longer placed to beneficial use. Mr. Morgan will review state law on the forfeiture of water rights.

C Bob Morgan, Division of Water Rights

**4. Storm Water Rules**

The Environmental Protection Agency is expected to issue a final rule by October 29, 1999, that will require all communities within urbanized areas to implement programs and practices to control polluted storm water runoff. The Division of Water Quality will discuss the impact of this rule on Utah.

- Don Ostler, Division of Water Quality

**5. Water Issues Related to the PacifiCorp - ScottishPower Merger**

The Idaho Department of Water Resources is proposing that PacifiCorp and ScottishPower make certain agreements with the department as a condition of the Idaho Public Utilities Commission's consent to the PacifiCorp - ScottishPower merger. Among the terms of those agreements is a provision that the companies' water rights in the Bear River and Bear Lake for hydropower generation shall be an incidental use of water that is otherwise being released for irrigation and flood control purposes. The possible effects of this proposed agreement on Utah will be discussed.

- Jody L. Williams, Kruse, Landa & Maycock, L.L.C., representing PacifiCorp
- Larry Anderson, Division of Water Resources

**6. Other Business**

**7. Adjourn**
